WHY · HOW · WHAT

OUR PROJECT ON ONE SLIDE.

WHY

More paying guests and members, more revenue.

HOW

Get found on Google and in AI search, then help people choose Elite Fit and buy easily.

WHAT

A premium website, landing pages for the searches, and the technical integration.

OVERVIEW

AGENDA

1 COMMERCIAL RETURN ON INVESTMENT AND CONVERSION — Slides 06–14

2 WEBSITE DESIGN — Slides 15

3 TIMELINE AND COSTS — Slides 16–23

1 · RETURN AND CONVERSION

A COMMERCIAL GOAL: MORE TRAFFIC, MORE SALES.

Increase Elite Fit’s visibility and the traffic to its website, then optimise for conversion.

01

Visibility and traffic

Be found far more often, and bring more people to the website.

02

Conversion

More day passes and more memberships sold, among other things.

03

Business strategy

Part of the project.

1 · RETURN AND CONVERSION

WE CREATE TRAFFIC BY BEING FOUND: ON GOOGLE AND IN AI SEARCH.

We find the most important searches people use for these services, and build **a page for each top search**. Anyone interested finds Elite Fit, on Google and in AI search such as ChatGPT.

SEARCHES LIKE THESE	
“sauna bali”	720 a month
“best gym bali”	
“calisthenics bali”	
“best coaches bali”	
“day pass gym bali”	

More pages for top searches → More traffic → More buyers

IT’S A NUMBERS GAME.

Searches a month: Semrush, Indonesia, Oct 2026, shown where the exact search is in our 50-search study.

1 · RETURN AND CONVERSION

THREE PILLARS CARRY THE PROJECT.

01

Google and AI search visibility

A page for every top search, so people looking for what Elite Fit sells find it.

02

A premium website built to convert

Best practice that makes buying and checkout as easy as possible: a sticky booking button, a contact form at the top.

03

Technical integration

One platform that connects all the tools and platforms Elite Fit uses.

1 · RETURN AND CONVERSION

BODY FACTORY AND NIRVANA LEAD. THEY HAVE A CLEAR SEO STRATEGY.

BODY FACTORY · VISITORS A MONTH FROM GOOGLE

16,984

Almost 17,000 visitors a month.

Our team researched the market in depth: 50 searches, five competitors.

	BODY FACTORY	NIRVANA LIFE	ELITE FIT
Built for the top searches	**13**	**9**	**0**
On page one, of 50 searches	**29**	**13**	**4**
In the top 3, of 50 searches	**22**	**4**	**4**
Visitors a month from Google	**16,984**	**3,204**	**176**

Nirvana follows the same playbook, with less success.

Visitors: Semrush estimate, Indonesia, desktop, 1 Oct 2026. Pages and Google positions: our study of 50 searches, Google seen from Bali, 2 Oct 2026.

1 · RETURN AND CONVERSION

A VERY STRONG BRAND. ALMOST NO TRACTION ON GOOGLE.

Elite Fit has a very strong brand, not least through its Instagram. On Google it is almost invisible next to the leaders.

THE GOAL

Compete directly with Body Factory and dramatically increase traffic.

VISITORS A MONTH FROM GOOGLE

16,984

Body Factory

176

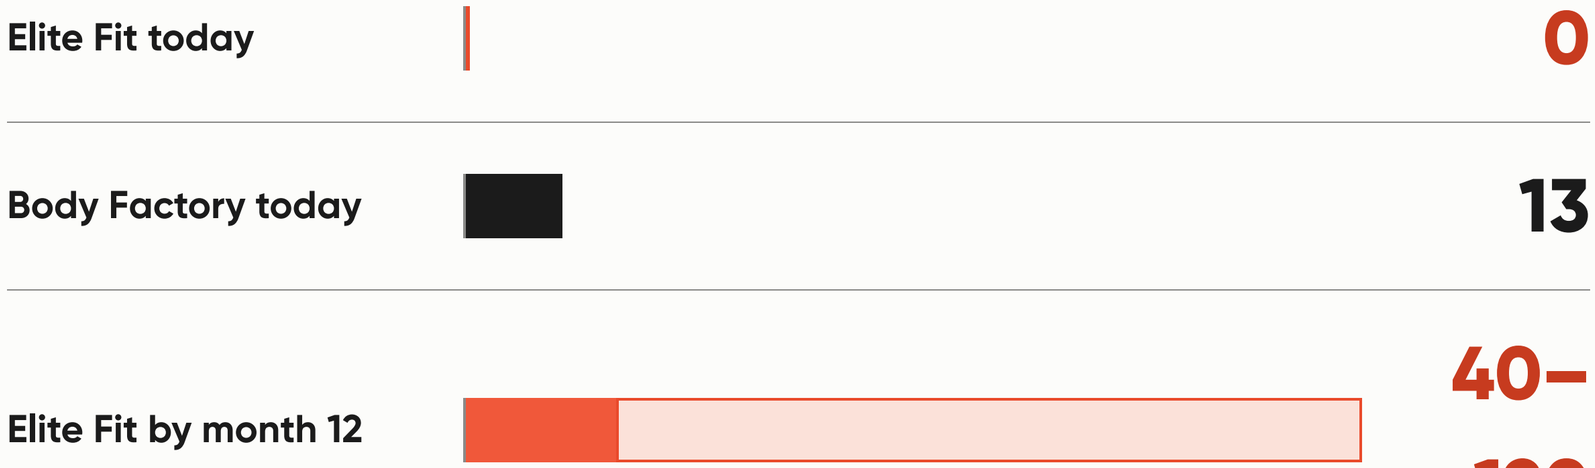

Elite Fit

Semrush estimate, Indonesia, desktop, 1 Oct 2026.

1 · RETURN AND CONVERSION

THE FUTURE: A PAGE FOR EVERY TOP SEARCH. MORE VISIBLE THAN BODY FACTORY.

PAGES BUILT FOR THE TOP SEARCHES

Body Factory: pages built for the top searches (one of 50 tracked), 2 Oct 2026. Elite Fit: 40, 70 or 120 landing pages by month 12, depending on the package.

Phase 1 · Months 1–7 Phase 2 · Months 8–12

One dedicated page for each top search, so people searching for what Elite Fit sells land on Elite Fit.

1 · RETURN AND CONVERSION

A PREMIUM WEBSITE AND 40–120 LANDING PAGES.

1 · THE CORE WEBSITE

12–15

pages

The pages in your menu: a premium website, built to convert.

PHASE 1

2 · LANDING PAGES

40–120

pages

One page for each top search, depending on the package. Level with Body Factory or ahead: it has 13 built for the top searches.

20 IN PHASE 1

20–100 IN PHASE 2

Included: design, development, technical integration, copywriting and SEO optimisation.

More pages, more searches covered: more visibility and more conversion. People land on a page about exactly what they searched for, not a generic homepage, so they find it and book.
